

# What will Modesto look like in 2050?

## Community Workshop

**Please join us for a conversation about the future of Modesto!**

The City is updating its General Plan – a project called “Modesto 2050: Our City. Our Future.” – setting a path for the City through 2050. To kick off this process, the City is hosting two workshops to listen to your ideas about the future of your community – what’s working and what needs to change – and to share what to expect over the course of this multi-year process. These two workshops will cover the same content, but one will be held in-person and one will be online.

Spanish interpretation will be available at both workshops.

## We Want to Hear From You!

### Attend the Virtual Workshop:

Thursday, March 24<sup>th</sup>  
at 5:30 pm
